Precautions None known; use caution as spill area may be slippery.
Other Precautions None known.

SECTION VIII CONTROL MEASURES

Resp. Protect. Not usually required but a suitable mask for aerosols and mists should be worn if material is to be sprayed in large quantity.
Local Exhaust Not usually required but required if sprayed..
Spec. Local. Exh. None usually required.
Mech. Exhaust None required except if sprayed.
Other Mech. Exhaust None
Protect. Gloves Vinyl or rubber gloves.
Eye Protect Not required for ordinary uses of this product
Protect. Clothing None specifically required; artist smock suggested.
Work Practices Standard industrial practice for the handling of artist materials should be used..
